(f) *Electronic Fund Transfers Initiated By Third Parties.*

You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

1. Electronic check conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills. You may make payments by electronic check from your Money Market. Payments are limited to 6 per cycle.
2. Electronic returned check charge. You may authorize a merchant or other payee to initiate an electronic fund transfer to collect a charge in the event a check is returned for insufficient funds. You may make electronic payment of charges for checks returned for insufficient funds from Money Market. Payments are limited to 6 per cycle.

GENERAL LIMITATIONS

In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

Transfers from a Money Market or Savings account to another account or to third parties by preauthorized, automatic, or telephone transfer are limited to 6 per cycle with no more than 6 transfers by check or similar order to third parties. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to closure by the financial institution.

ATM Operator/Network Fees: When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

DOCUMENTATION

(a) *Terminal Transfers.* You can get a receipt at the time you make any transfer to or from your account(s) using a(n) automated teller machine or point-of-sale terminal. You may not get a receipt if the amount of the transfer is \$15 or less.

(b) *Preauthorized Credits.* If you have arranged to have direct deposits made to your account(s) at least once every 60 days from the same person or company, you can call us at the telephone number listed below to find out whether or not the deposit has been made.

(c) *In addition,* You will get a monthly account statement from us, unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

PREAUTHORIZED PAYMENTS

- (a) *Right to stop payments and procedures for doing so.* If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call or write us at the telephone number or address listed in this disclosure, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We charge \$29.00 for each stop payment.
- (b) *Notice of varying amounts.* If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- (c) *Liability for failure to stop payment of preauthorized transfer.* If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

- (a) *Liability for failure to make transfers.* If we do not complete a transfer to or from your account(s) on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:
- If, through no fault of ours, you do not have enough money in your account to make the transfer.
 - If the transfer would go over the credit limit on your overdraft line.
 - If the automated teller machine where you are making the transfer does not have enough cash.
 - If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
 - If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
 - There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account(s) or the transfers you make:

1. Where it is necessary for completing transfers; or
2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. If you give us written permission.
5. As explained in the separate Privacy Disclosure.

UNAUTHORIZED TRANSFERS

- (a) *Consumer Liability.* Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

MasterCard® Debit. Additional Limits on Liability for Great Access Check Card. You will not be liable for any unauthorized transactions using your MasterCard debit card, when used for point-of-sale transactions, if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, (ii) you have not reported to us two or more incidents of unauthorized use within the prior twelve-month period, and (iii) your account is in good standing. If any of these conditions are not met, your liability is the lesser of \$50 or the amount of money, property, labor, or services obtained by the unauthorized use before notification to us. "Unauthorized use" means the use of your debit card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number (PIN) which are not processed by MasterCard. MasterCard is a registered trademark of MasterCard International Incorporated.

- (b) *Contact in event of unauthorized transfer.* If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed at the end of this disclosure. You should also call the number or write to the address listed at the end of this disclosure if you believe a transfer has been made using the information from your check without your permission.

ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- 1) Tell us your name and account number (in any)
- 2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- 3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days (5 business days if involving a Visa® transaction or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa transaction or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit made, if you are a new customer. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

FUNDS AVAILABILITY DISCLOSURE

Great Southern Bank
218 S. Glenstone Ave.
Springfield, MO 65802
Phone: (417) 887-4400

This policy statement applies to all deposit accounts.

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

FOR DEPOSITS AT ALL BANKING CENTERS:

If you make a deposit before 7:00 p.m. or the posted closing time, whichever is earlier, on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 7:00 p.m. or on a day not considered a business day, we will consider that the deposit was made on the next business day we are open.

FOR TRANSFERS OR DEPOSITS AT AN ATM, the cutoff time is 2:30 pm. If you make a transfer or deposit at an ATM machine before 2:30 pm on a business day, we will consider that day to be the date of your deposit. Transactions performed after the cut off time or on a day not considered a business day will post the following business day. Deposits are only accepted at specific ATM's. The locations are outlined in the Electronic Funds Transfer Disclosure.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in any account with us. The funds in the account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day after we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

****SPECIAL RULES FOR NEW ACCOUNTS****

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits into your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). [The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit.] If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

**IMPORTANT INFORMATION ABOUT PROCEDURES
FOR OPENING A NEW ACCOUNT**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What This Means for You

When you open an account we will ask for your name, address, date of birth, tax identification number and other information that will allow us to identify you. We may also ask to see and copy your driver's license or other identifying documents.

**IMPORTANT INFORMATION ABOUT YOUR CHECKING ACCOUNT
Substitute Checks and Your Rights**

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us in writing at Great Southern Bank, Attn: Research & Adjustment Dept, 218 S. Glenstone, Springfield, MO 65802 or stop by one of our banking centers to complete a dispute form. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include: (1) A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect); (2) An estimate of the amount of your loss; (3) An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and (4) A copy of the substitute check [and/or] the following information to help us identify the substitute check: the check number, the name of the person to whom you wrote the check and the amount of the check.

Bounce Protection

A Special Service For Your Checking Account

At times, unanticipated expenses or unforeseen problems can leave you with too little cash in your checking account. Having a check returned due to insufficient funds can be a costly, inconvenient and potentially embarrassing experience.

At Great Southern Bank, we do not encourage overdrafts. As always, we encourage you to manage your finances responsibly. However, we want to save you from the additional merchant fees and possible damage to your credit history that might result if a check is returned.

That's why we provide "Bounce ProtectionSM," a special overdraft service for Great Southern Bank's customers.

What is Bounce Protectionsm?

Bounce Protection is a discretionary overdraft service, requiring no action on your part, that provides you a safety net up to an automatically assigned overdraft limit.

Your Bounce Protection limit may be available for checks and other transactions made using your checking account number or automatic bill payment and recurring debit card payments. Also, at your request, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases using your limit.

How does Bounce Protection work?*

As long as you maintain your account in “good standing,” we may approve your overdraft items within your current available Bounce Protection limit as a non-contractual courtesy.

For overdraft privilege consideration, your account is in “good standing” if you (1) make sufficient deposits to bring your account to a positive end-of-day balance at least once every 30 calendar days (including the payment of all bank fees and charges); (2) avoid excessive overdrafts suggesting the use of Bounce Protection as a continuing line of credit; and (3) there are no legal orders, levies or liens against your account.

Please note that the amount of the overdraft plus our paid item overdraft fee of \$29 for each item will be deducted from your overdraft limit. If the item is returned, the returned item overdraft fee of \$29 will be deducted from your account. No interest will be charged on the overdraft balance.

*Please refer to the overdraft policy for additional details.

What does Bounce Protection cost?

There is no additional cost associated with this privilege unless you use it. You will be charged our paid item overdraft fee of \$29 for each overdrawn item created by a traditional paper-based check, a teller withdrawal, an automatic payment (ACH) transaction or a recurring debit card payment. Also, if you have requested us to do so, we may authorize and cover ATM transfers or withdrawals and everyday debit card purchases.

For example, three paid items in one day will result in \$87 in paid item overdraft fees. To help you manage your account, the total fees you have paid for items (both paid and returned) during the current month and for the year-to-date will be reflected on your monthly checking statement.

What is my Bounce Protection limit? If I have two checking accounts, can I get Bounce Protection on both?

Locate your account type below and make note of the corresponding limit. If you have multiple accounts for your household, you may have a limit on each eligible account.

Summit Gold	\$ 500	Premium Business NOW	\$ 700

How do I know when I use the overdraft limit?

You will receive an overdraft notice each time items are paid, including fees. You will need to subtract the total fees when balancing your checkbook.

What if I go beyond my Bounce Protection limit?

Overdrafts above and beyond your established Bounce Protection limit may result in checks or other items being returned to the payee. The returned item overdraft fee of \$29 will be charged per item and assessed to your account. An overdraft notice will be sent to notify you of items paid and/or returned.

What if I go beyond my Bounce Protection limit?

Overdrafts above and beyond your established Bounce Protection limit may result in checks or other items being returned to the payee. The returned item overdraft fee of \$29 will be charged per item and assessed to your account. An overdraft notice will be sent to notify you of items paid and/or returned.

How soon can I use my Bounce Protection?

If you are a new customer, you may be able to use the overdraft service 30 days after your account is opened, assuming your account is in “good standing” as defined in this brochure.

How quickly must I repay my Bounce Protection?

You should make every attempt to bring your account to a positive end-of-day balance as soon as possible, and must do so within 30 calendar days. If you are not able to do so, you will receive a letter from Great Southern Bank informing you that your Bounce Protection limit has been suspended and additional items will be returned.

What are some other ways I can cover overdrafts at Great Southern Bank?

The best way to avoid overdrafts and fees is to keep track of your account balance by entering all checks, debit card purchases and ATM withdrawals in your check register, reconcile your checkbook regularly and manage your finances responsibly. However, if a mistake occurs, Great Southern Bank offers additional ways to cover overdrafts in addition to Bounce Protection.

Bounce ProtectionSM Overdraft Policy

An insufficient balance can result from several events, such as (1) the payment of checks, electronic funds transfers or other withdrawal requests; (2) payments authorized by you; (3) the return of unpaid items deposited by you; (4) bank service charges; or (5) the deposit of items which, according to the bank’s Funds Availability Policy, are treated as not yet available or finally paid. We are not obligated to pay any item presented for payment if your account does not contain sufficient funds.

As long as you maintain your account in “good standing,” we may approve your overdraft items within your current available Bounce Protection limit as a non-contractual courtesy. For overdraft consideration, your account is in “good standing” if you (1) make sufficient deposits to bring your account to a positive end-of-day balance at least once every 30 calendar days (including the payment of all bank fees and charges); (2) avoid excessive overdrafts suggesting the use of Bounce Protection as a continuing line of credit; and (3) have no legal orders, levies or liens against your account.

Great Southern Bank reserves the right to post transactions in any sequence; however, we currently post in the following order: ACH, checks in number order, ATM and Point of Sale. We reserve the right to change the order of payment without notice to you if we suspect fraud or possible illegal activity affecting your account. Also, please be aware that the order of item payment may create multiple overdraft items during a single banking day for which you will be charged our paid item overdraft fee of \$29 for each overdraft item paid.

You may opt out of the privilege at any time, but you are responsible for any overdrawn balances at the time of opting out. Normally, we will not approve an overdraft for you in excess of the predetermined amount assigned to your account type. So as not to exceed your limit, please note that the amount of the overdraft plus the bank’s paid item overdraft fee of \$29 per item will be deducted from the overdraft limit.

We may refuse to pay an overdraft item at any time even though we may have previously paid overdrafts for you. For example, we typically do not pay overdraft items if your account is not in good standing as defined above, or, if based upon our review of your account management, we determine that you are using Bounce Protection excessively or seem to be using Bounce Protection as a regular line of credit. You will be charged a returned item overdraft fee of \$29 for each item returned.

You will be promptly notified of any non-sufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdraft including our paid item overdraft fee of \$29 and/or a returned item overdraft fee of \$29 that you owe us shall be due and payable upon demand, but if no demand is made, no later than 30 calendar days after the creation of the overdraft. If there is an overdraft on an account with more than one owner on the signature card, each owner and agent, if applicable, shall be jointly and severally liable for all overdrafts inclusive of fees.

Bounce Protection should not be viewed as an encouragement to overdraw your account. To avoid fees, we encourage you to keep track of your account balance by entering all items in your check register, reconcile your checkbook regularly, and manage your finances responsibly. If you would like to have this service removed from your account, please call (417) 895-4777 or (800) 749-7113.

Please note that your Bounce Protection limit may be available for each item paid under the limit created by checks and other transactions made using your checking account number, such as a teller withdrawal, an automatic payment (ACH) transaction, an automatic bill payment or recurring debit card payments. Also, at your request, we may authorize and pay ATM transfers or withdrawals and everyday debit card purchases using your limit. The limit will not be included in the balance provided during an inquiry.

LIMITATIONS: Bounce Protection is a non-contractual courtesy that is available to individually/jointly owned accounts in good standing for personal or household use. Great Southern Bank reserves the right to limit participation to one account per household and to suspend, revoke or discontinue this service without prior notice.
